About Us

06

The End

BRIEF

Klink is a digital platform, manages patient records, appointments, and finances all in one. They help doctors diagnose accurately, pay bills in a digital way, and even let patients access their info online. Think of it as a smooth way to help the patients,

MAIN FUNCTIONS

make profile

Our doctors and patients can make a profile and manage it by editing the info or even delete the profile

Appointment Scheduling

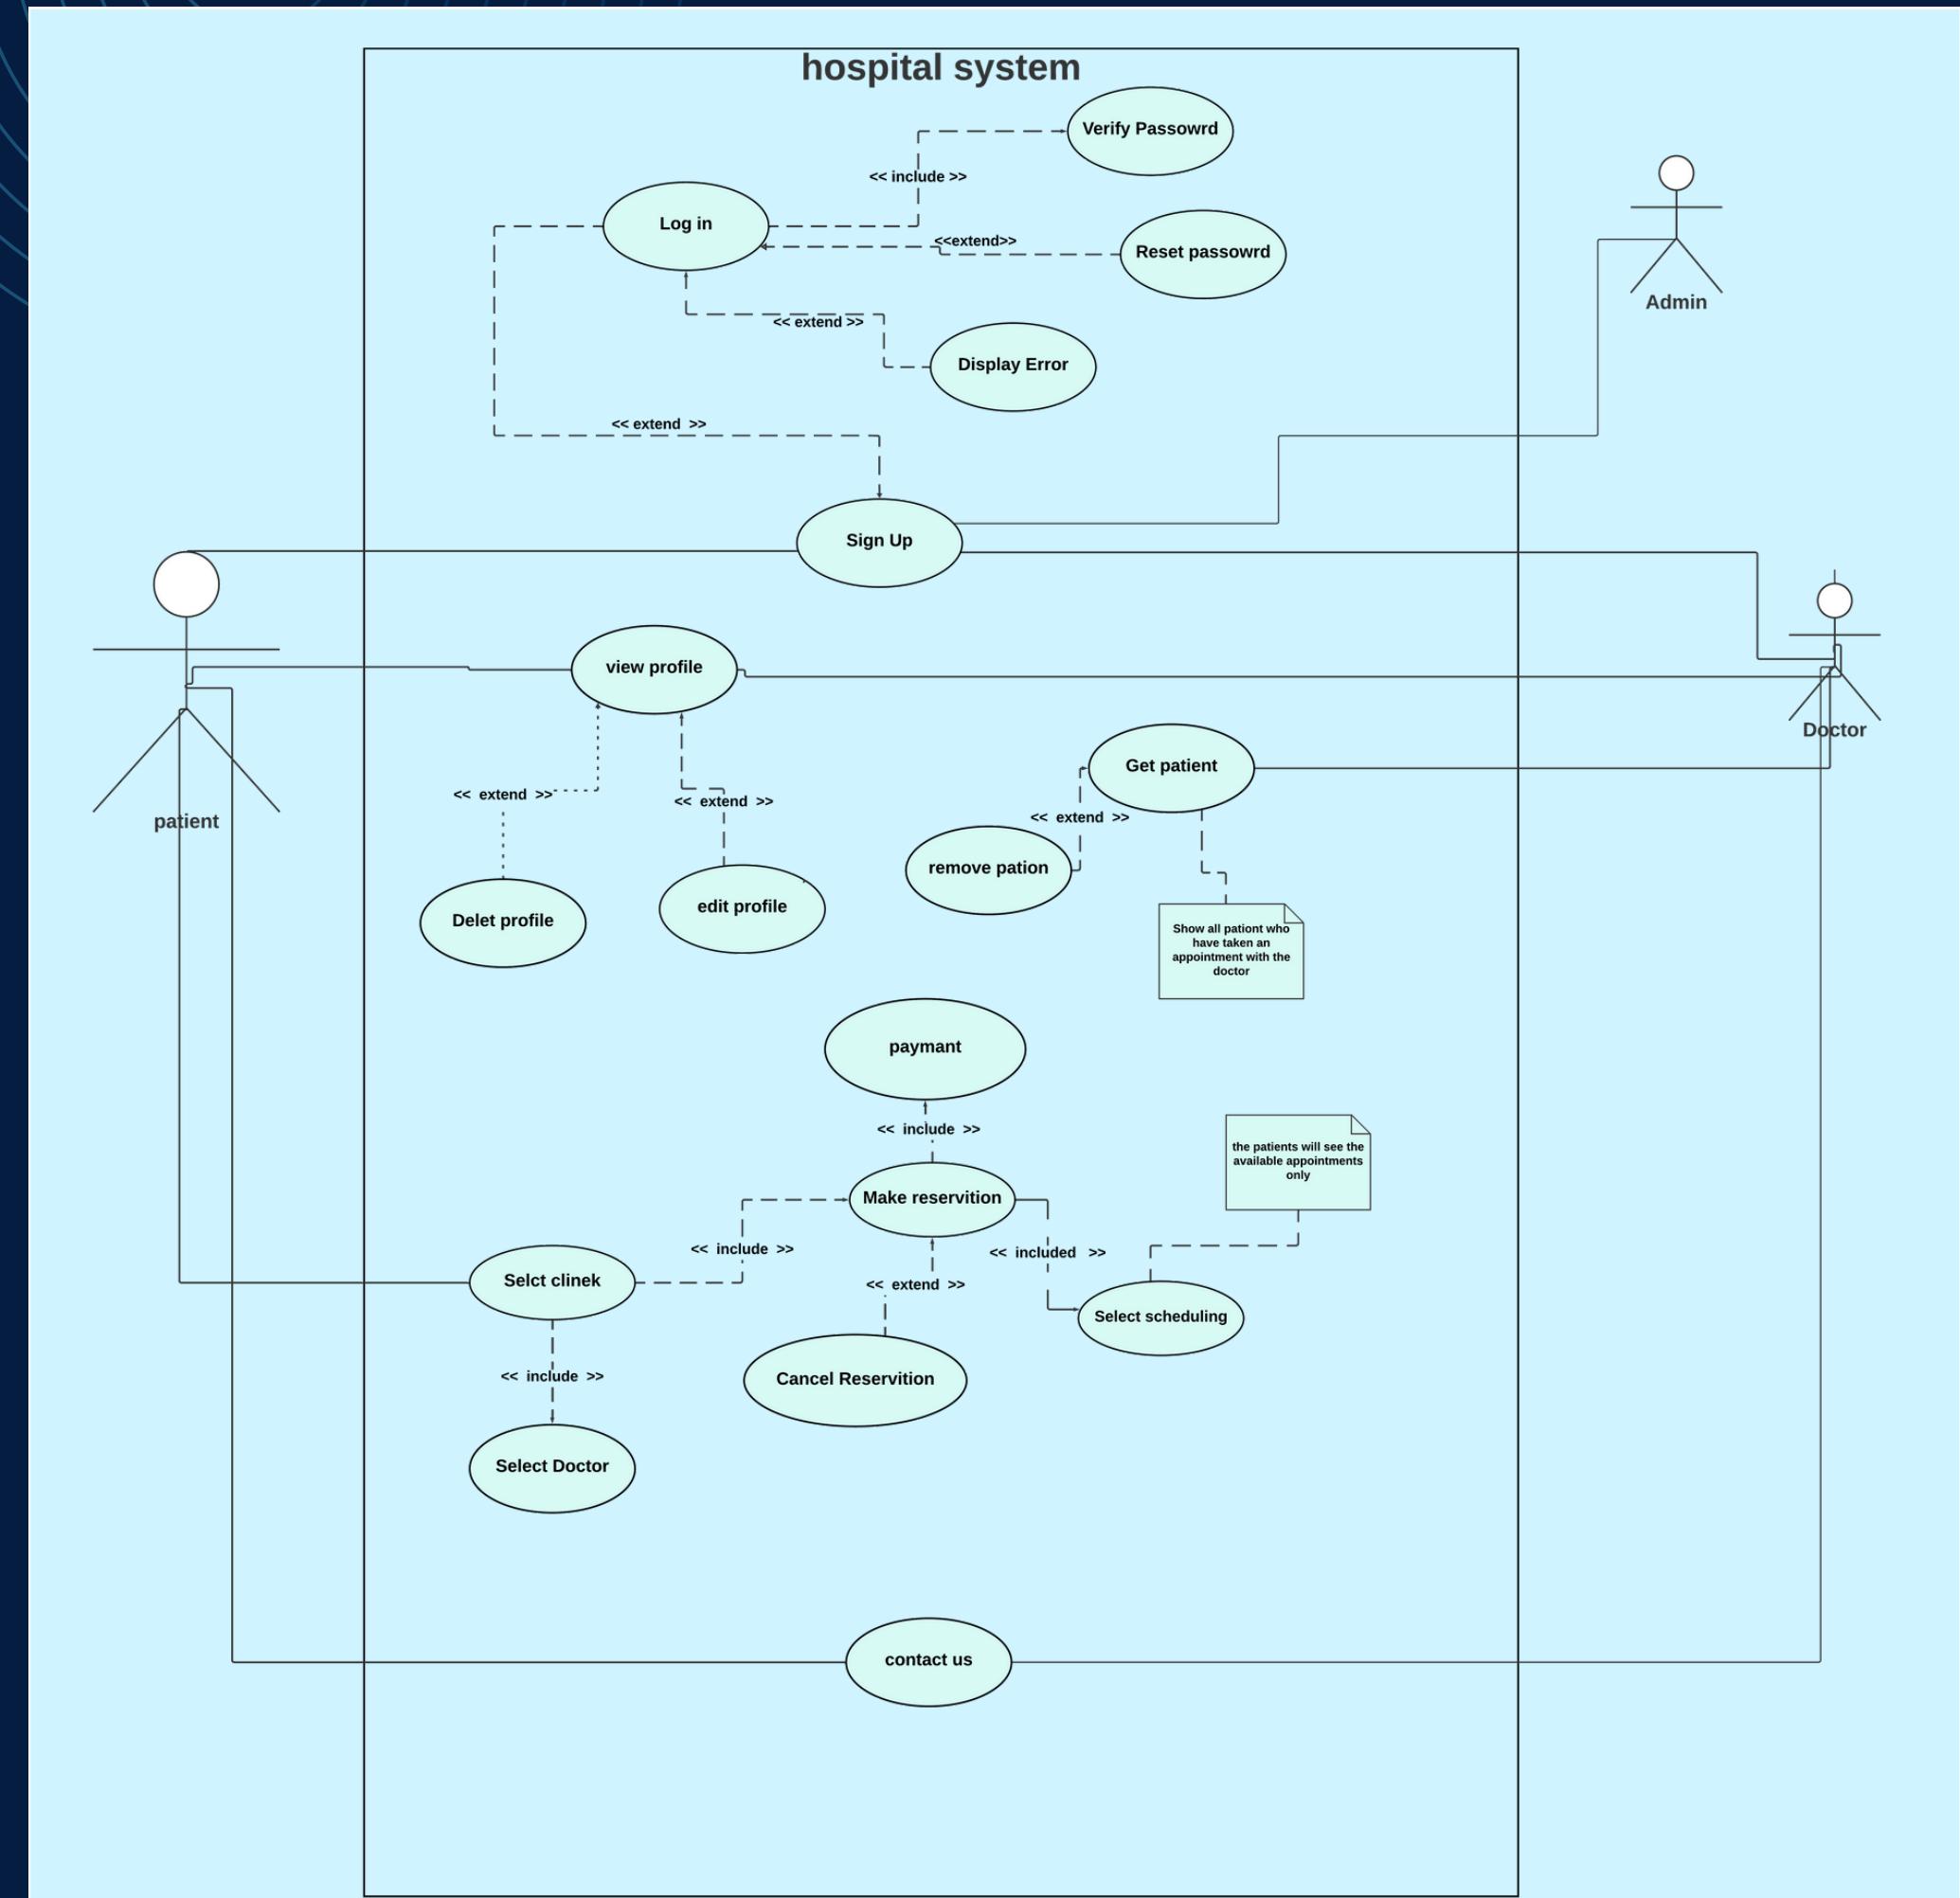

Enable patients to schedule, reschedule, or cancel appointments online, providing flexibility and convenience, consectetur adipiscing elit. Duis vulputate nulla at ante rhoncus, vel efficitur felis condimentum. Proin odio odio.

Billing and Payments

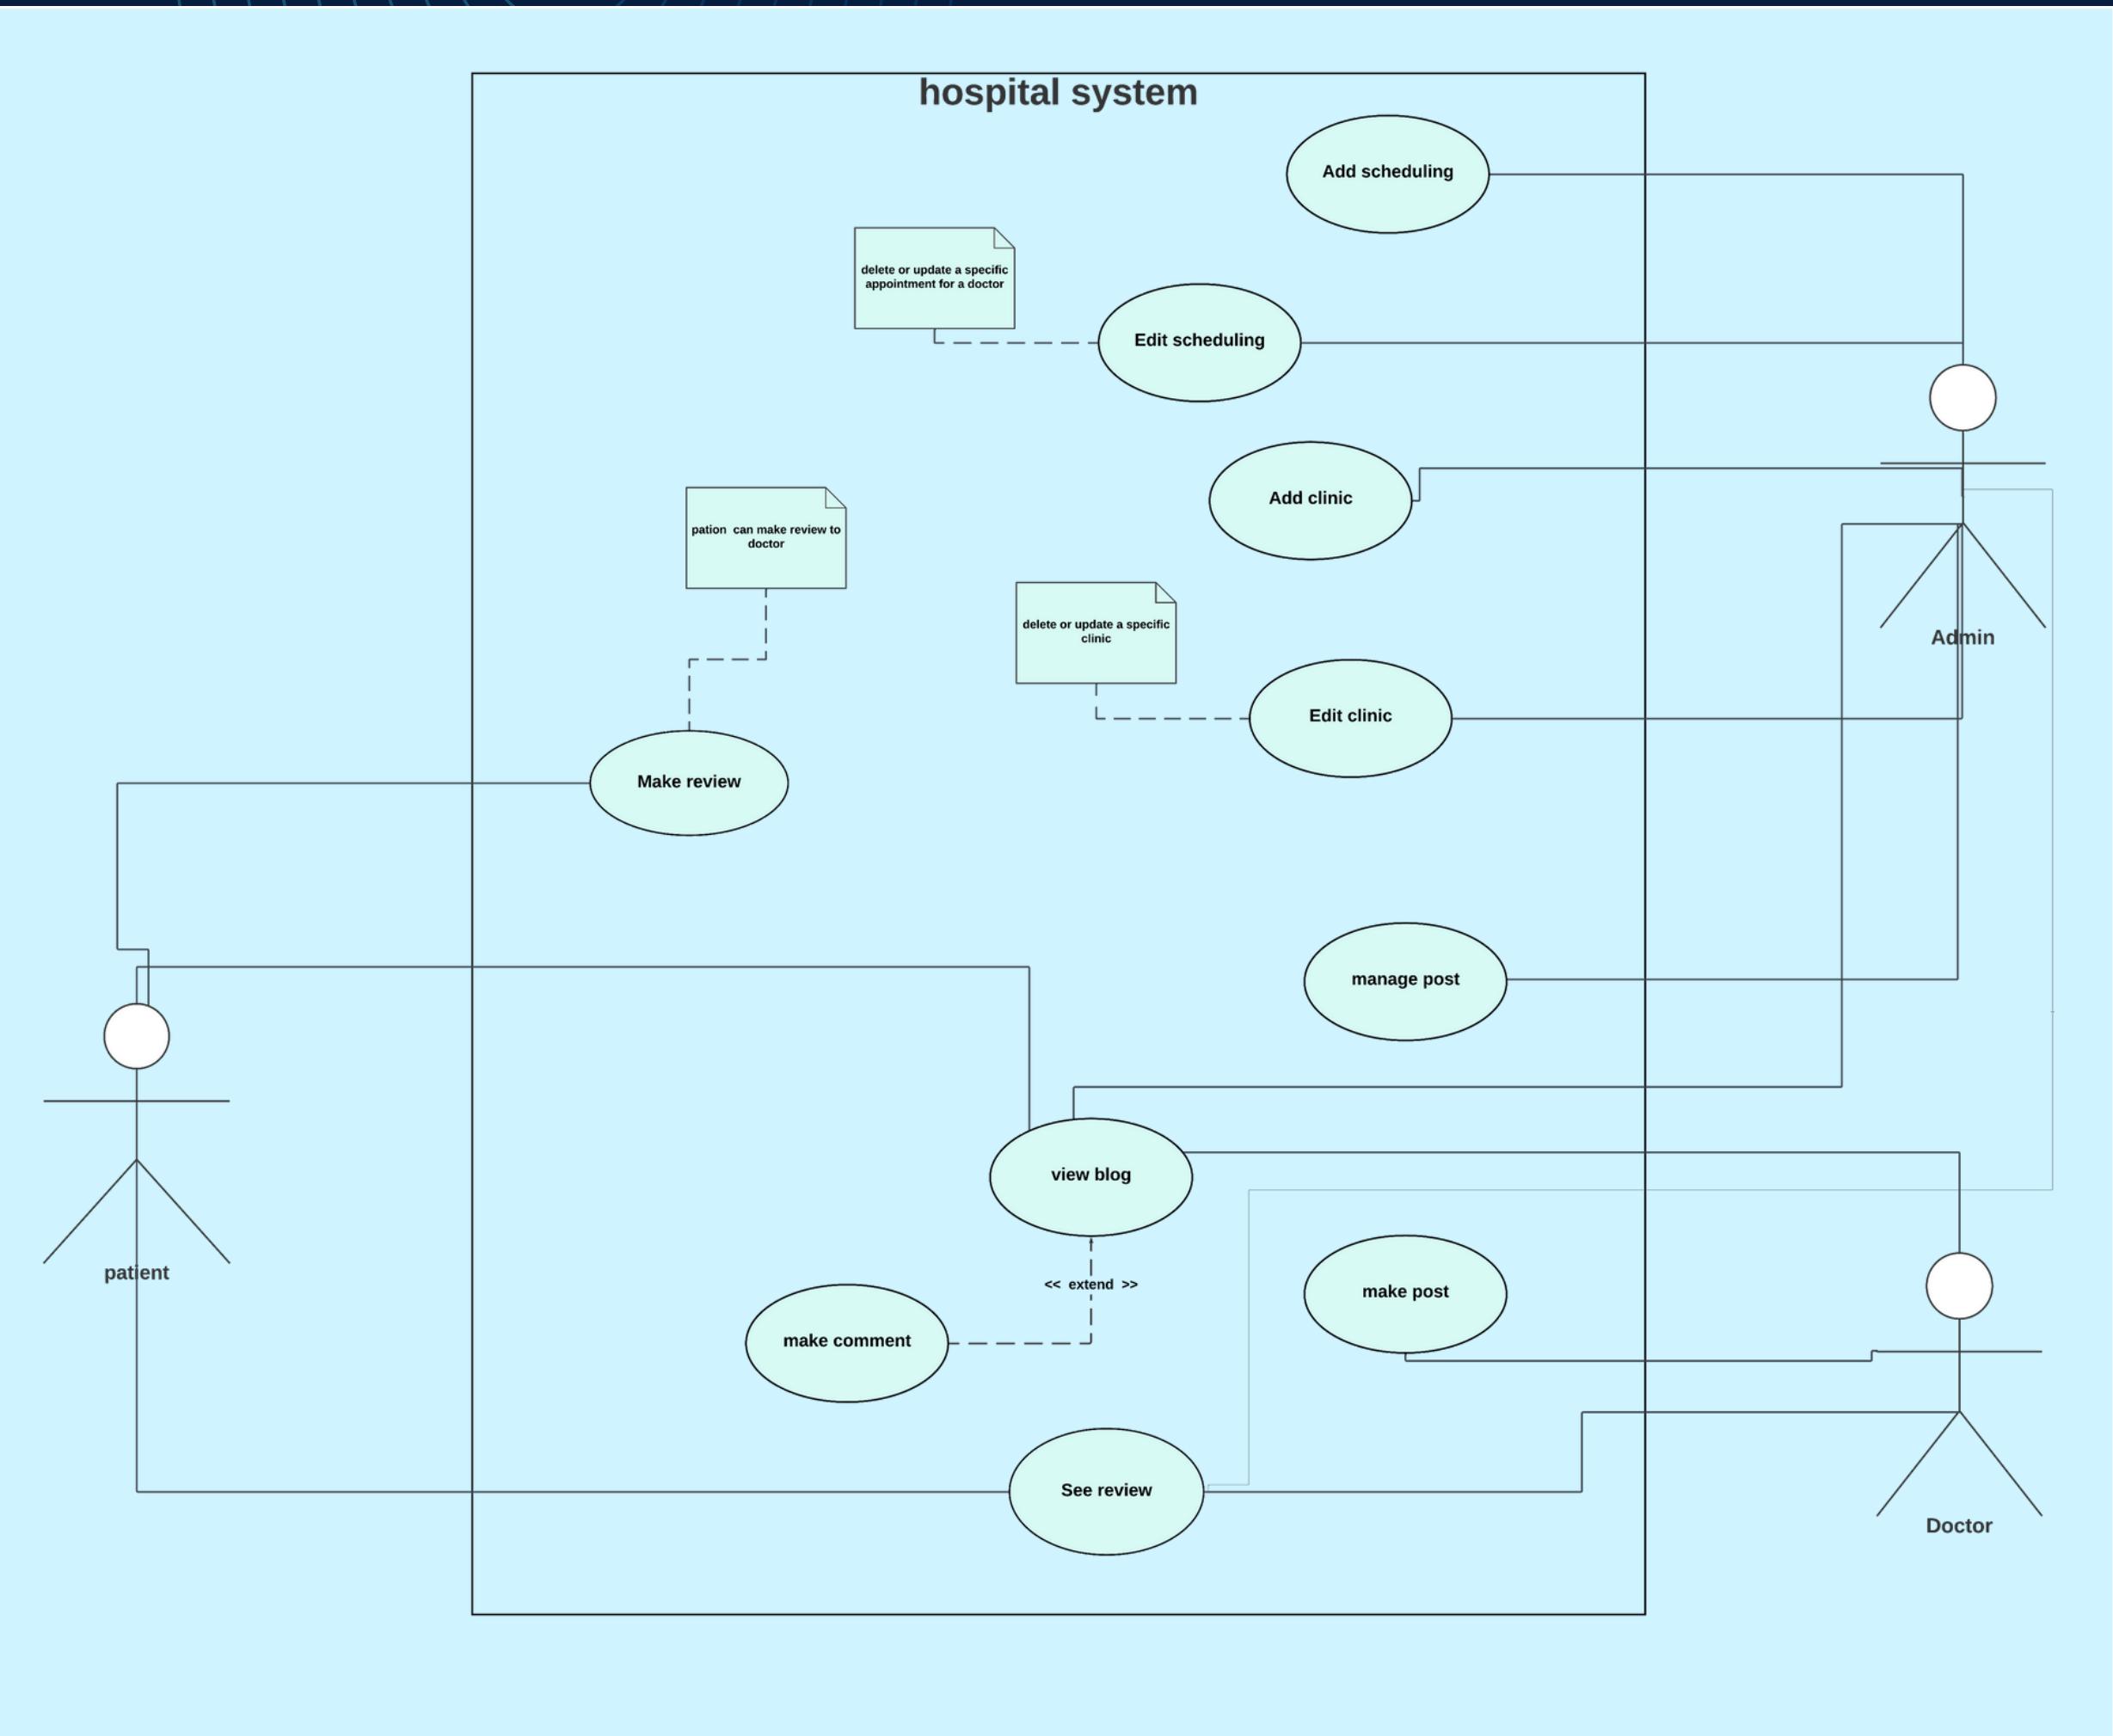

Allow patients to view and pay bills online, review insurance information, and understand financial policies, streamlining administrative processes.
